Dear Educators and Parents...
Standards Publishing... Librarians
Welcome to State

Where you'll find the books you need to meet CommonCore Georgia Performance Standards requirements for elementary level Georgia studies ... "Georgia, My State!"

Our books introduce young readers to key aspects of Georgia studies. And, our new imprint, "America, My Country," helps students explore standards-based topics beyond state boundaries. Each book is filled with photographs, illustrations, captions, and other design elements to enhance text comprehension. Glossary and Word Index sections introduce key new words and help young readers locate and combine information - and develop reading skills - with text written at grade level!

We welcome your comments and wish you all success in using "Georgia, My State" and "America, My Country" books to meet your student or child's learning needs!
