

Dear Educators, Librarians, and Parents...
 Welcome to State Standards Publishing ...

Where you'll find the books you need to meet **standards-aligned content** requirements for state studies and reading development!
 Our **My State** books introduce young readers to key aspects of state history studies. And, our **America, My Country** imprint helps students explore standards-based topics beyond state boundaries. Each book is filled with photographs, illustrations, captions, and other design elements to enhance text comprehension. Glossary and Word Index sections introduce key new words and help young readers locate and combine information – and develop reading skills – with **leveled informational text**.

We wish you all success in using our **My State and America, My Country** books to meet your student or child's learning needs!
