NEW!

It's a FACT!

A New School
Ruby started first grade at her old school. But on November 14, 1960, Ruby was sent to William Frantz Public School. It was a school for white children. The other girls were sent to McDonough School. Ruby's

Protests and Marshals
People were angry. They stood outside the schools to **protest** integration. Some people called Ruby names. They threatened to hurt her and other African American people. Four policemen called **marshals** walked Ruby to school. The marshals were strong. They had guns. But Ruby was still afraid and all alone.

AMERICAN HEROES

Benjamin Invents

Benjamin liked science. He liked things that worked. He invented things to help people. He studied heat and invented a better stove. We still use that stove today. He studied sight. He built **bifocals**. They were a new kind of glasses. Bifocals help people see far away and up close.
